 *Open Captioning* is provided for videos in *Culture and Continuity: The Jewish Journey* and other exhibitions.

 An *FM Assistive Listening System* is available for all public and private docent-led tours. Inquire at the Lobby Admission Desk to obtain a headset and receiver. Neck loops are also available for visitors equipped with T-switch hearing aides.

Scheuer Auditorium features an *Infrared Assistive Listening System* for use during all public programs. Both headsets and neck loops are available.

Neck loops are also available for use with audio guide tours of exhibitions.

 For more information about programs for visitors who are deaf or hard of hearing, call TTY 212.660.1515.

Services for Visitors Who Are Blind or Partially Sighted

 We offer individuals and groups *Touch Tours* of our permanent exhibition by appointment. Reproductions, tactile images, fabrics, and sounds, combine to provide an enriching learning experience. Touch tours are available for school groups, adult groups, and individuals.

 *Verbal Imaging Tours* of exhibitions are offered by appointment. Docents are trained to provide detailed descriptions of the exhibitions.

 *Large Print Labels and Text Panels* are available for each exhibition.

 A tactile book featuring selections from the permanent collection is available for use in the Museum.

Services for Visitors with Developmental Disabilities

Tours for students and adults can be adapted to the needs of any group. Museum educators incorporate hands-on art projects and innovative teaching techniques, and are experienced in working with a variety of audiences.
